Clues in the Creek
Justified True/False Statements

STATEMENT	T	F	WHY I (WE) THINK SO
1. There is trash in the creek because the students dumped it in the water.			
2. It's ok for litter to go into the storm drain because it will be removed at the water treatment plant.			
3. Litter in the creek can hurt the plants and animals that live in or near the water.			
4. The litter in the creek by the school stays only in that creek.			
5. There are simple things even kids can do to help protect the water in the creek.
